Dingley Dell Agility Club advises that all dogs should be over the age of 12 months before being able to use full height equipment. If I, the owner, decide to take part with a dog under this age, I do so at my own risk. We also advise the same for elderly dogs and so owners must be responsible for and consider the age of their dog when taking part in the agility course.

I understand that I, the owner, am solely responsible for myself and my dog while on Dingley Dell premises and cannot hold the club responsible for the loss or injury to myself or my pet. My dog must be kept on the lead at all times until asked to run a course. Please bring with you to all classes a suitable poop scoop bags. Dogs must be fully vaccinated and I will need to see an up to date certificate. Please be aware that parking on Dingley Dell premises is at your own risk and therefore you cannot hold the club responsible for any loss or damage to your vehicle. Dingley Dell has a strict no smoking policy and prohibits smoking anywhere on Dingley Dell Farm or any other venues that classes are held.

Please pay £90 for a ten-week course by bank transfer to Dingley Dell Agility Sort Code 30-99-80 Account number 76028760. This fee is non-refundable as are any classes that you are unable to attend. Please inform us if you are going to be away for any sessions.
