

## Agility Details

Dingley Dell Agility Club advises that all dogs should be over the age of 12 months before being able to use full height equipment for agility. If I, the owner, decide to take part with a dog under this age, they do so at their own risk. We also advise the same for elderly dogs and so owners must be responsible for and consider the age of their dog when taking part in the agility course.

Please bring/wear to first lesson;

- Warm clothing and waterproofs (Dingley Dell are on a farm so will be cold in winter months)
- Trainers/Walking boots
- Your dog's favourite toy or tasty treats in a treat bag, that won't fall open if thrown. Water bowl.
- A safe standard collar, fitted correctly and a standard fitting lead, NO slip leads or choke chains!
- Valid, up to date vaccination certificate.

The course lasts 10 weeks, costing a total of £90. You will be invoiced after 8 weeks to see if you want to sign up for the next course.

On arrival to the classes, please keep your dog in the car, as equipment may need to be organised/put out.  
(Please inform us if you are unable to lift heavy equipment)

Please respect the premises, carry poo bags at all times and clean up after your dog.

The Puppy classes are held at Dingley Dell Farm, Aldershot road, Pirbright, GU24 0DG, (the track for the farm is on the right if you're coming from Pirbright, it is opposite ash road, follow all the Way down until you reach a yellow farm gate with Dingley Dell written on it.)

Please park at far end of farm by the sand school. When arriving please wait in car until the first group have left the training area.

Please **close all gates** when arriving/leaving the farm and drive **slowly at all times**.

We hope you enjoy Dingley Dell Agility Club and we look forward to seeing you all soon!

Kind regards

Hannah Forrest
